Twin Air Valve

Ability to use one valve for tire gauge and the other for filling with air.

MUGEN 18" XJ Alloy Wheels, the "XJ" alloy wheel is engineered to be light-weight while still maintaining high rigidity. The mesh design helps to dissipate heat efficiently. Twin Air Valve system allows for separate "In" and "Out" valve system. Hub-centric fitting improves the fit between the wheel and hub to achieve the highest driving performance.

MUGEN Sports Mats are made with durable nylon fabric. They feature six stripes, red color for the driver's side mat representing "Dou" (move) and grey color for the rest of the mats representing "Sei" (calm) with red piping around the edges of all the mats. MUGEN logo embroidery and MUGEN labels represent it's sport-oriented design.

MUGEN Front Grille is exclusive for Accord Sedan. The grille design is distinctive and adds an aggressive styling to the front of the vehicle.
